

# TREATED TRUSSES

**UK  
CA**

**1245**

**fforest**

**21**

**1245-CPR- 3017**

**Prefabricated structural timber member  
assembled with punched metal plate fasteners  
used in buildings**

**EN 14250:2010**

**Mechanical resistance as load bearing capabilities  
and stiffness:** As drawings

**Customer details:** As drawings

**Site details:** As drawings

**Position number:** As labels on the product or  
drawings

**Strength grade of timber:** TR26

**Reaction to fire:** D-s2, d0

**Fire resistance:** NPD

**Release of dangerous substances:** NPD

**Natural durability of the timber:** Class 4

**Durability for treated timber (if treated):** UC2

**Preservative:** Vacsol Aqua 6118

**Penetration class:** NP1

**Retention value:** 4.8 kg/m<sup>3</sup>

**Target biological agents:** Insects & Fungus
